Since the AICTE, Govt. of Kerala and Jyothi Engineering College have granted great opportunity to the students of extra-ordinary merit and financially weaker to study almost free of cost, the students are bound to keep the academic standards. Those who were awarded the scholarship are advised to take following steps in order to continue their scholarship and to monitor their academic performance.

1. The scholars should submit the result of their University Exams upto and including the last published one with supporting Marklists at the beginning of every sem to the Administrator.
2. They should Report their placement details to the Administrator and HOD once they are placed.
3. If the scholars fail in any of the University Exams, the matter will be reported to the AICTE and Govt. of Kerala. The Scholarship will continue only after approval is received from the appropriate authorities.

Fr. Dr. Jaison Paul Mulerikkal
