

## Departmental Activities

A Training programme on “Autodesk Fusion 360 Awareness and Workshop” was conducted on 26<sup>th</sup> August 2017 at CAD Lab of Mechanical Engineering Department. Experts from Autodesk in collaboration with CADCENTER IEE handled the sessions.

Mr. M. Radhakrishnan Menon (Founder & CEO, Global Aero-Sports) officially inaugurated the activities of Society of Automotive Engineers (SAEINDIA) & Association of Mechanical Engineering Students (AMES) on 4<sup>th</sup> November

2017, and gave a talk on **Aerospace Engineering & Job Opportunities**

Celebrated **World Standards Day-2017** on 28<sup>th</sup> October 2017 Organized by IE(I) student's Chapter Mechanical Engineering Department, in association with Association of Mechanical Engineering Students (AMES). Mr. G. Krishnakumar, general secretary of society of energy engineering and managers

(SEEM) was the chief guest.

## DEPARTMENT OF MECHANICAL ENGINEERING NEWS LETTER

Volume VI, Issue II

June– December 2017

01

### Vision

To provide quality education of international standards in Mechanical Engineering and promote professionalism with ethical values, to work in a team and to face global challenges.

### Mission

- To provide an education that builds a solid foundation in Mechanical Engineering.
- To prepare graduates for employment, higher education and enable a lifelong growth in their profession.
- To develop good communication, leadership and entrepreneurship skills to enable good knowledge transfer .
- To inculcate world class research program in Mechanical Engineering.

### H.O.D's Desk

Mechanical branch of engineering is recognized and accepted everywhere internally for its output nature and economy benefits that it brings out to mankind. Various fields from automobile engineering to the present space technology are examples to them. We, engineers of India, can be proud that our country is progressing fast in these areas. Hard and continuous sincere work can bring excellent output. Let us fix our targets very specific and proceed systematically, so that the success will be ours in near future.
