

Jyothi Engineering College

NAAC Accredited College with 4B Accredited Programmes*

Approved by AICTE & affiliated to APJ Abdul Kalam Technological University

A CENTRE OF EXCELLENCE IN SCIENCE & TECHNOLOGY BY THE CATHOLIC ARCHDIOCESE OF TRICHER

JYOTHI HILLS, VETTIKATTIRI P.O. CHERUTHURUTHY, THRISSUR. PIN-679531 PH: +91-4884-259000, 274423 FAX: 04884-274777

NBA accredited B.Tech Programmes in Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering and Mechanical Engineering valid for the academic years 2016-2022. NBA accredited B.Tech Programme in Civil Engineering valid for the academic years 2019-2022.

Report

Tree Plantation Ceremony - World Environment Day, 2023

On the occasion of World Environment Day 2023, a tree plantation ceremony was organized at Jyothi Engineering College on 5th June 2023 to promote environmental awareness and contribute to sustainable development goals. The event aimed to encourage students, faculty, and staff to take an active role in environmental sustainability.

The ceremony commenced with an inauguration session where the college authorities shared their thoughts on the importance of environmental conservation. A tree plantation drive was initiated, reinforcing a commitment to environmental sustainability on World Environment Day 2023. Students, faculty, and staff actively participated in planting saplings of various tree species around the college campus. To reinforce the commitment to environmental sustainability, participants took a pledge to adopt eco-friendly practices in their daily lives. The pledge included promises to reduce plastic usage, conserve water, and actively participate in future environmental initiatives.

The tree plantation ceremony was a resounding success, bringing together the college community in a shared commitment to environmental stewardship. The event not only planted the seeds of awareness but also cultivated a sense of responsibility towards nature among the students and faculty. The college intends to follow up with ongoing initiatives to ensure the continuity of these efforts and their integration into the institution's ethos. This event served as a reminder that small, collective actions can contribute significantly to global environmental conservation, and Jyothi Engineering College stands as a beacon for sustainable practices in the academic community.
