Report - "TTT on Python Programming" by ICT Academy

Date: 2nd & 3rd December 2019

Venue : Programming Environment Lab(CSE Dept), Jyothi Engineering College

Jyothi Engineering College hosted a Train-the-Trainer program on Python by ICT Academy for the faculties from ICT Academy Premium membership colleges across Kerala, accepting the request from ICT Academy. Dr. Sreekanth and Ms. Nitha from ICT academy led a two day training program.

The primary objective of the program is to enhance the technical skill (Python) of the students through a unique and structured in house training program for the interested students in the colleges with the support of college faculty members. The trained faculties need to implement a minimum 60 Hrs of training program to the students from their colleges, based on the faculty and student convenience.

31 faculty members from colleges across kerala have participated in the training program. Mr. Bineesh M and Ms. Sobha Xavier participated in a training program representing Jyothi Engineering College.

At the end of the two day training program Academic Director Fr.Dr. Jose Kannampuzha, Principal Fr.Dr.Jaison Paul Mulerikkal and Er. Thomas Mathew addressed the participants of the training Program.

The trainers and ICT academy of Kerala acknowledged their gratitude for the support offered by Jyothi Engineering college management toward the Train-The Trainer program. The participants were also happy and expressed gratitude for the Lab , Hostel and other facilities provided by the college.

Dear Rev.Father/Sir,

ICT academy of Kerala with profound gratitude hereby acknowledge the stupendous support offered by your institution toward the Train-The Trainer program(ToT) conducted on 2nd and 3rd December 2019. We hereby over helmed and humbleness for the outstanding support and arrangements including the lab facilities provided by your revered institution. These types of acts shows the real professionalism,allegiance,and your eye for details toward quality augmentation. We also expect the same fervor and assiduity in our future programs too..

Best Regards,

BOT IN A DAY

(One Day workshop Organized by CSI in association with CESA)

Report

In connection with the Annual Tech fest of our college THARANG 2020, the Computer Science Department in association with CSI and CESA organized a one day workshop on the topic Robotic Process Automation "BOT IN A DAY" on the 29th of February 2020. This workshop aimed to create software robots to free humans from the repetitive tasks by replacing them with a virtual work space. There were 32 participants in total to attend the workshop out of which 2 were from Ma 'din Polytechnic, Malappuram and the remaining participants were from our college.

The workshop had begun by 9.30 am with an official ceremony in which our Director of Academics, Fr Dr Jose Kannampuzha, Principal Fr Dr Jaison Paul Mullerickal CMI, and our Hod, Fr De A K George had taken part and addressed the gathering. It marked a very good start for the workshop. The relevance and the future scopes regarding the topic of the workshop were discussed. After the official function the sessions were started. We had two faculties from the ICT Academy of Kerala to handle the sessions.

During the session, the students were taught about the platform named UiPath, a software to create bots. Initially the participants were given an idea on the importance and the application of this software. Later they had hands on sessions to make a bot using the software UiPath. Different demonstrations and practice sessions were given to the participants. The faculties also made sure that the participants were able to use the software with ease. The students cleared their doubts and actively participated in the workshop.

By the end of the afternoon session, all the participants succeeded in making the software bot within a day. Thus the objective of the workshop was completely achieved with the whole hearted and sincere participation of the students and the

About Webinar

This webinar deals with the topic Sensors and Transducers based on the updated syllabus of the University of Calicut. We live in a world of analog with the digital means of communication controlled by mechanical objects with electrical signals. This is possible because of devices like sensors and transducers, which help us in converting data or information from one domain to other. The words sensors and transducers are widely used in association with measurement systems. Department of Computer Science of Yuvakshetra Institute of Management Studies tries to give a step ahead to learn about sensors and transducers in an easy, systematic and efficient way.

Seminar Series On

SENSORS AND TRANSDUCERS

Based On University of Calicut Updated Syllabus

About College

Yuvakshetra Institute of Management Studies is a college affiliated to the University of Calicut and is undertaken by Diocese of Palakkad. We promote Integral development of each student, catering to individual difference and equip them to tackle hurdles of life with confidence and tranquility, and definite goals. We aim at providing quality and integral education, promoting an ambience for human and academic excellence with an openness to learn, research and development of professional skills.

About Department

The Department of Computer Science of Yuvakshetra College has been continuously engaged in planning and implementing various kinds of educational development activities for the pursuit of academic excellence with an eye towards the needs of the society, industries and the nation. Reflecting our commitment to learner improvement, the department encourages students to be creative, analytical and critical in the questioning of ideas, pursuit of knowledge and exploration of new interests.

26.10.2020

Sherin Shaju

Thymattathil House, Vadakkencherry Po,
Palakkad Dt, 678683

Dear Sherin,

We are pleased to offer you the full-time position of **Junior Software Developer** at **Triaxia Infotech Pvt Ltd** with a start date of November 1st, 2020. It is in our opinion that your abilities will be the perfect fit for our company

To ensure success as a Junior Software Developer, you should have a good working knowledge of basic programming languages, the ability to learn new technology quickly, and the ability to work in a team environment. Ultimately, a top-class Junior Software Developer provides valuable support to the design team while continually improving their coding and design skills.

The starting annual salary for this position is Rs. 1,44,000/- to be paid on a monthly basis by direct deposit starting from December 5th, 2020. Thereafter the revision of salary will be made every 6 months.

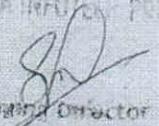

As an employee of Triaxia, you are also eligible for our benefits program, which includes medical insurance, and up to two weeks vacation time. Other benefits will be described in more detail in the orientation package.

By signing and returning this letter you will confirm your acceptance of the offer. Please respond no later than October 31, 2020.

In case of resignation from services during the employment period, you shall inform the management 3 months in advance and continue to provide the services during the 3 month notice period.

We look forward to having you on our team! If you have any questions, please feel free to reach out at your earliest convenience.

Sincerely,

Managing Director / Director

Inspire '20

Venue: Google Meetup

Date: 27th January 2021

Innovations and Entrepreneurship Development Cell (IEDC) of Jyothi Engineering College, in association with the Kerala Start-Up Mission (KSUM) and Institution's Innovation Council (IIC), organized the IEDC Zonal Meetup And Precursor Event - Inspire '20 on 27th Wednesday, January 2021.

The event details are as follows:

Date: 27/01/2021, Wednesday

Time: 09:00 AM

Platform: Google Meet

Welcome Address : Mr. Anil Antony , Nodal Officer, IEDC - JECC

Inauguration: Rev. Fr. Dr. Jose Kannampuzha , Director of Academics, Jyothi Engineering College

Entrepreneur Talk

Mr. Sanjo Simon, Managing Director, Triaxia PVT. LTD.

Mr. Varun Menon, CEO, Sankalp Creative Ventures

Mr. Varkey F Thachil, Founder & CEO, ELE Agrotech

Mr. Christo Kollanur, Co-Founder & CEO, Estro Tech

Mr. Ajmal Basheer, Founder, Jobified

Vote of Thanks

Mr. Riju T.R, CEO, IEDC - JECC

The event started around 09:00 AM. Mr. Anil Antony, Nodal officer, IEDC-JECC welcomed the speakers and the audience present at the event. It was followed up by Rev. Fr. Dr. Jose Kannampuzha, Director of Academics, Jyothi Engineering College, who inaugurated the event and shared his vision on the need of innovators and entrepreneurs in this hour. Then 5 entrepreneurs (Alumni's and Student innovators) shared their experience as an entrepreneur, the difficulties they faced and their vision and mission that led them to think differently. Ms. Anjali Anne Prathap welcomed and introduced the speakers to the participants. The event was concluded at 10:30 AM by Mr. Riju T R (CEO, IEDC-JECC) and Ms. Anjali Anne Prathap (CSO, IEDC-JECC) thanking the speakers and all the active participants. Around 50 participants were present throughout the event.

INTERNSHIP CERTIFICATE

This is to certify that, Mr. John Jose Registration Number: JEC16EEE36 pursuing his Bachelor of Technology, at **Jyothi Engineering College, Cheruthuruthy**, has successfully completed two weeks internship program at from 03 February 2020 to 17 February 2020.

During the internship he has demonstrated his skills with self-motivation to learn new skills. His performance exceeded our expectations, we found him sincere, hardworking, technically sound and result oriented. He worked well as part of a team during her tenure. We take this opportunity to wish him all the best for his future.

Sir,
Subject: Request for Webinar at Jyothi Engineering College.

I Dr Jarin T, on behalf of Jyothi Engineering College management am writing this letter to invite you to present a webinar on your field of expertise on Inverters and the future of inverters for our students. We would be glad if you can carry out this webinar, as it will surely help the students of your department to shape their understandings, career and resolve all doubts regarding the field. Please feel free to chose the date and time which you feel comfortable for the webinar. I strongly believe the webinar will surely be helpful for all students, and help them to gain maximum benefit out of it.

Thanking you

Narrative Report

Topic: Impact of Solar Inverters
Date: 21/10/2020
Time : 11.00 AM – 1.00 PM
Venue: Google Meet.
Presenter: Mr Niyas A

Introduction

The students of EEE Department has taken up the webinar on the "Impact of Solar Inverters" carried out by Mr Niyas A, Technical Director, Sinelab Technologies on 21/10/2020 from 11.00 AM to 1.00 PM via Google meet. Few of the faculty members also participated in the webinar to update their knowledge and to monitor the students

Knowledge / Learning Acquired

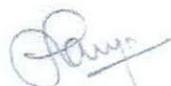

The webinar talked on the impact of common solar PV inverters along with its upco applications such as its influence on audio frequency injection control signal levels. The presenter also mentioned about the Australian Power Quality and Reliability Centre (APQRC) employed, where they have a range of investigative techniques in order to determine the impact that inverters are having on AFIC signal levels. Over the presentation the presenter mentioned about the new trends in the market. The upcoming technology was also covered in the presentation. Like the speaker said that many large companies are turning to this new technology because it can minimize the space will be used by the company, reduce power consumption, resource allocation and high availability

Observation

During our seminar the faculty observed that the speaker has enough knowledge about the topic he is discussing. They also observed that all students are interested in the topic discussed and participating with the speaker and listening enough to learn.

Recommendations / Suggestions

It was suggested to provide an abstract softcopy of the presentation for all the participants before the webinar so that the participants/all students have notes to be compiled and use it while the webinar is going on so that they will have a better understanding and will be focused on listening to the speaker.

Meeting Minutes at Sinergia Labs on 05th November, 2020

As a part of MoU, Jyothi team faculty members (Dr. Karthik C, Dr. Biju C V, Mr Jinesh K) visited the Sinergia Media Labs (Simelabs), Kakkanada, Ernakulam on 05.11.2020. Jyothi team had a discussion with Mr. Raja Jacob and Mr. Tom Antony prior to the product demonstration. Mr. Sowji and team members from sinergia labs were assigned the duty of demonstrating the three types of emergency ventilator design (isave, i100 and i200). After the demonstration, both the team had a meeting with Mr. Prakash Bare at the company premises regarding the possible collaboration in the aspect of enhanced ventilator design and academic publications.

Based on the observations during visit and literature studies, members decided to suggest the possible ideas for the collaborative work.

The suggestions are listed as:

1. Finite element and experimental analysis of damping and delay in the propagation of pressure waves through closed channels.
2. Development of contour shape to squeeze self-inflating (Ambu bag) to enable pressure and volume control flow in low cost ventilators.
3. For the pressure controller design, PID controller tuning by considering the process with dead time.
4. Development of Cascade control system design by considering both volume and Pressure control process with dead time.
5. Ratio Control design to the Mixing process of air and oxygen to enable the efficient mixing process.
6. Application of machine learning techniques to the optimum controller design to both pressure and volume controller ventilator design.
7. For the effective collaboration with Sinergia Media Labs, student internship/ research work should be also promoted.

Respected Dr. Retno Purwani Setyaningrum,

Greeting from Jyothi Engineering College, Thrissur.

Jyothi Engineering College is one of the leading technical institutions in Kerala affiliated to APJ Abdul Kalam Technological University. The college is located at Cheruthuruthy in Thrissur District, Kerala, India. With a visionary management, a team of dedicated faculty, devoted staff and with ample infrastructural facilities, Jyothi has emerged as one of the model self-financing colleges in Kerala. This college is approved by AICTE and accredited by NBA and NAAC.

With this brief introductory note we feel immense pleasure to extend our invitation to you to act as a International advisory committee member for the two days "*International conference on Optimisation Techniques and Intelligent Systems*" to be held on *April 09-10, 2021*.

In this regard, we expect your advice to disseminate the content of the conference to the target audience effectively. Kindly convey your acceptance at the earliest.

Thank you,

Report on “WEBINAR ON - VIRTUAL LABS”

The Department of Mechanical Engineering in association with SAEINDIA Collegiate club and AMES of Jyothi Engineering College organized a Webinar on the topic "Virtual Labs" for faculty members and students on 08/09/2020 (Tuesday) at 02:00 pm. The session was handled by Dr. K.V.Gangadharan, Professor & Head of Centre for System Design, President-Institute Innovation Council, NITK Surathkal, India. He provided an insight into the importance of virtual labs in the present COVID scenario system. He demonstrated the Virtual lab and briefly described the newly developed experiments. Ms. Aishwarya Hegde - Senior Research Fellow, NITK and Ms. Shreshta - Senior Research Fellow, NITK also demonstrated the virtual lab of different engineering streams. Total of 169 participants from various engineering colleges and polytechnic institutions attended this session. The session ended with a vote of thanks by Nodal officer Mr. Christy V Vazhappilly, Asst. Professor, ME.

NBA accredited B.Tech Programme in Civil Engineering valid for the academic years 2019-2022.

No: JEC/2/A/8/21

03 February 2021

ORDER

It has decided to constitute a Committee for Virtual Lab of the institution with the following faculty members.

- | | |
|---------------------------------------|--------------------------|
| 1. Mr. Christy V Vazhappilly, AP - ME | - Nodal Coordinator |
| 3. Ms. Jisha Akkara, AP - CE | - Department Coordinator |
| 4. Mr. Aneesh Chandran, AP - CS | - Department Coordinator |
| 5. Mr. Dipin Krishnan, AP - EC | - Department Coordinator |
| 6. Mr. Akhil A Balakrishnan, AP - EE | - Department Coordinator |
| 7. Mr. Sukesh O P, AP - ME | - Department Coordinator |
| 8. Mr. Jinesh K J, AP - MR | - Department Coordinator |

All are requested to accept the assignment.

Report on

“FACULTY TRAINING ON ONLINE MODE - VIRTUAL LABS”

Virtual labs of Jyothi Engineering College in association with SOLVE: 'The Virtual Lab @ NITK conducted a Faculty training on Virtual Labs on 5th February 2021 (Friday) in Google platform (meet link: <https://meet.google.com/apn-ieqw-inu>). This training session is organised for all the faculty and lab staff of Jyothi Engineering College. The resource persons are Dr. K V Gangadharan - Participating Institute Coordinator (PIC), Ms. Aishwarya Hegde - Senior Research Fellow, NITK, Mr. Beryl Thomas - Senior Research Fellow, NITK, Mr. Rohit Kushwaha - Junior Research Fellow, NITK, Ms. Shreshtha - Senior Research Fellow, NITK. 88 teaching and non-faculty from different branches participated in this session. The session started with a brief introduction about virtual labs. During the session, various experiments were demonstrated. Also, they briefly described the newly developed experiments. The session ended with the quite intense interactive Q/A session with the speaker attending to participant queries. It was a good opportunity for the participants to explore into virtual labs in the COVID scenario. With a formal Vote of Thanks by Nodal officer Mr. Christy Vazhappilly, Asst. Professor, ME the session ended at 4.00 pm.

Dear Sir / Ma'am,

Greeting from ICT Academy of Kerala!

We are glad to inform you that ICT Academy of Kerala in association with Kerala Development and Innovation Strategic Council (K-DISC) offering a Full Stack Developer program for Pre-Final (2022 passing out) and Final year (2021 passing out) students of Kerala with scholarship to enhance their employability skills.

ABOUT THE PROGRAM

True Copy Attested

DR. SUNNY JOSEPH KALAYATHANKAL
 M.Tech, MCA, M.Sc, M.Phil, B.Ed
 Ph.D (Computer Science), Ph.D (Maths)
 PRINCIPAL
 Jyothi Engineering College
 Cheruthuruthy P.O. - 679 531

Full Stack Developer (FSD) program is a technology training program facilitated by Govt. of Kerala that will be of high industry relevance in present scenario. By going through the program, the students will be able to achieve certification that will help them to apply for different job roles in many Technology and Business organisations (Such as Information Technology, Banking, Financial Services and Retail industry) that apply such technology.

SCOPE

- Now Full-stack developers can work with multiple technologies, and so, they can handle more aspects of a project than an average programmer.
- **1 million new jobs Full-Stack Developer profile will be created by 2020 (as per NASSCOM)**
- According to a report published by the Market Research Future (MRFR), the global enterprise software market is anticipated to grow at 8 percent CAGR with a value of US \$634 billion by 2023

Program AGENDA

- Program Orientation & Introduction to MEAN Stack
- Introduction to HTML5
- CSS3 Fundamentals
- Introduction to Bootstrap
- Introduction to JavaScript
- JavaScript Events and DOM
- Form validation
- OOPs Concepts
- Exception Handling and Introduction to AJAX

True Copy Attested

Dr. SUNNY JOSEPH KALAYATHANKAL
M.Tech, MCA, M.Sc, M.Phil, B.Ed
Ph.D (Computer Science), Ph.D (Maths)
PRINCIPAL
Jyothi Engineering College
Cheruthuruthy P.O. - 679 531

- JavaScript Advanced
- Build with Node JS – Introduction & App Building
- Programming with Mongo DB – Introduction and Basic Queries
- Programming with Mongo DB – App Integration
- Code with Angular – Basics (Installation, Project Structure, Data Binding Directives, Event Binding, Components, Routing, Services)
- Code with Angular – Advanced (Form validation, Authentication, Materials)
- Code with Angular – Built Product App

HIGHLIGHTS OF THE COURSE

- 100% scholarship for meritorious female students
- 70% scholarship for meritorious male students
- Total duration of the program – 440 hours
- Industry grade certification

INTERNSHIP

125 hours, virtual internship by TCS iON

ELIGIBILITY

Final year (2021 passing out) / Pre-Final year (2022 passing out) students from B.Tech / M.Tech / BCA / B.Sc and MCA from recognized universities.

Dear Sir / Ma'am,

Greeting from ICT Academy of Kerala!

NASSCOM Future Skills along with Microsoft is introducing a one-day format of AI Classroom session starting from 14th December to 19th December 2020 for tech enthusiasts irrespective of branch/year criteria.

ICT Academy of Kerala is an associated partner of the program for Kerala region.

Here is the registration link:

<https://www.microsoft.com/en-in/campaign/microsoftAIforstudents/>

When student registers for the sessions, please ask them to mention student in the job role field, full institute name and city in the company name field

True Copy Attested

M.Tech, MCA, M.Sc, M.Phil, B.Ed
Ph.D (Computer Science), Ph.D (Maths)
PRINCIPAL
Jyothi Engineering College
Cheruthuruthy P.O.- 679 531

Benefits for participants

- Free session from Microsoft
- Can attend on any day from 14th to 19th December 2020
- Opportunity to get certified by Microsoft and NASSCOM (After completing the session, students can go for the Assessment and download a certificate of participation upon scoring 60% marks. They can attempt thrice between 19th and 30th December)

Sharing couple of posts/certificates students are flaunting from previous series happened in September / October:

<https://www.linkedin.com/feed/update/urn:li:activity:6738066771296694273/>

<https://www.linkedin.com/feed/update/urn:li:activity:6738079667678400513/>

We are expecting at least 100 students from each of our associate colleges will join the session.

Feel free to call the undersigned for any support.

Scholarship test update & report

Thu, Oct 15, 2020 at 11:30 AM

Sinjith S <sinjith.s@ictkerala.org>

To: Unnikrishnan P <unnikrishnanp@jecc.ac.in>, Anil Antony <anil@jecc.ac.in>

Dear Sir,

Greeting from ICT Academy of Kerala!

We are pleased to inform you that we successfully completed the Full Stack Developer scholarship test and declared the results on yesterday. A detailed mail communication has been sent to all eligible students.

Scholarship test report (All Kerala)

No of students registered for the test: 580 students

No of students attended the test: 502 Students.

No of students eligible for Govt. of Kerala (K-DISC) scholarship (All Kerala)

100% Scholarship (For Female candidates) – 61 students

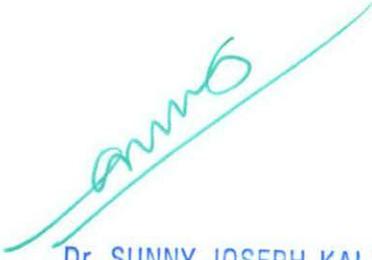

70% Scholarship (For Male Candidate) – 40 students

No of students eligible for ICTAK's 25% scholarship – 80 Students

No of students eligible for admission without scholarship – 261 students

True Copy Attested

Thank you for your support to encourage your students to attend the scholarship test.

Dear Sir / Ma'am,

Greeting from ICT Academy of Kerala !

We are glad to inform you that our partner Google offers a FDP for ICTAK member colleges.

Google's Developer Training team has designed a new course named 'Android Development with Kotlin' which teaches students to build Android apps in Kotlin language. We are offering an online 'Train The Trainer' session to our faculty members from August.

Google came up with a flexible model that the faculty members can select the month to attend the FDP and also select "Which online mode of training would they prefer".

True Copy Attested

Pfa the file for more details about the program.

DR. SUNNY JOSEPH KALAYATHANKAL
M.Tech, MCA, M.Sc, M.Phil, B.Ed
Ph.D (Computer Science), Ph.D (Maths)
PRINCIPAL
Jyothi Engineering College
Cheruthuruthy P.O. - 679 531

Please find the link for the facilities to register for the Google FDP.

Form link : https://docs.google.com/forms/d/1x3_x8_XvHuA2u56ZmaY2ewQUU4p4h2mqjZVRrnNIRw/edit

Please call us for any support / clarification

Best Regards,
Sinjith S
